History of XBRL Asia Round Table

The **XBRL Asia Roundtable (XART)** brings together XBRL experts, project leaders, and national regulators from throughout Asia and Oceania to discuss topics of common interest, including project updates and regulatory developments. XART is not only for XBRL society but also open to anyone who wants to modernize information supply chain.

The first meeting was held in March 2010, at the Bank of Japan in Tokyo

Collaboration with Asian Development Bank (ADB)

Asian Development Bank, (ADB) is an International Bank for economic development in Asia and Pacific region. It also aims economic cooperation and supports the growth of member developing countries.

One of ADB's important activities is ASEAN+3 Bond Market Forum (ABMF) . It functions to integrate the ASEAN+3(Japan, Korea and China) markets through standardization and harmonization of regulations and market practices as well as market infrastructures relating to cross-border bond transactions.

Then our joint work and event started since 2019
